

Verse 1 I sit and wait
 does an angel - contemplate my fate
 And do they know
 the places where we go
 when we're grey and old
 'cos I've been told
 that salvation - lets their wings unfold

So when I'm lying in my bed (uh) Tenor + Sopran
 thoughts running through my head (uh)
 and I feel that love is dead
 I'm loving angels instead

Chorus And through it all she offers me protection
 a lot of love and affection
 whether I'm right or wrong
 And down the waterfall
 wherever it may take me
 I know that life wont break me
 When I come to call
 she wont forsake me
 I'm loving angels instead

Verse 2 When I'm feeling weak
 and my pain walks down
 a one way street
 I look above
 and I know I'll always be
 blessed with love

And as the feeling grows (uh) Tenor + Sopran
 she breathes flesh to my bones (uh)
 and when love is dead
 I'm loving angels instead

Chorus And through it all she offers me protection ...

Solo Gitarre / Chor

Chorus And through it all she offers me protection ...
