I See Fire – Ed Sheeran — The Generations

Intro

Oh, misty eye of the mountain below
Keep careful watch of my brothers' souls
And should the sky be filled with fire and smoke
Keep watching over Durin's sons

Verse 1

If this is to end in fire — Then we should all burn together
Watch the flames climb high — Into the night
Calling out father oh — Stand by and we will
Watch the flames burn auburn on
The mountain side — Desolation comes upon the sky

Chorus

I see **fire** — **Inside** the mountain
I see **fire** — **Burning** the trees
I see **fi-i-i-re** — **Hollo**_**wing**_ souls
I see **fi-i-i-re** — **Blood** in the breeze
And I hope that you remember me

Verse 2

And if we should die tonight — Then we should all die together
Raise a glass of wine — For the last time
Calling out father oh — Prepare as we will
Watch the flames burn auburn on
The mountain side — Desolation comes upon the sky

Chorus

Bridge

And if the night is burning — I will cover my eyes
For if the dark returns — Then my brothers will die
And as the sky is falling down — It crashed into this lonely town
And with that shadow upon the ground
I hear my people screaming out

Chorus 2x
