

Verse 1 There comes a time - when we heed a certain call
When the world must come together as one
There are people dying - and it's time to lend a hand
to life the greatest gift of all

Verse 2 We can't go on - pretending day-by-day
That someone, somewhere soon make a change
We're all a part of God's great big family
And the truth, you know, love is all we need

Chorus We are the world - we are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're making - we're saving our own lives
It's true we'll make a better day, just you and me

Verse 3 Oh, send them your heart - so they know that someone cares
And their lives will be stronger and free
As God has shown us - by turning stones to bread
And so we all - must lend a helping hand

Chorus We are the world - we are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're making - we're saving our own lives
It's true we'll make a better day, just you and me

Bridge When you're down and out, there seems no hope at all
But if you just believe there's no way we can fall
Well, well, well, well let us realize
Oh, that a change can only come
When we stand together as one, yeah, yeah, yeah

Chorus We are the world - we are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're making - we're saving our own lives
It's true we'll make a better day, just you and me

Chorus We are the world - we are the children
We are the ones who make a brighter day, so let's start giving
There's a choice we're making - we're saving our own lives
It's true we'll make a better day, just you and me
