

Verse 1    **Come** they told me                    pa rum pum pum pum  
              - Our newborn King to see        pa rum pum pum pum  
              - Our finest gifts we bring            pa rum pum pum pum  
              - To lay before the King            pa rum pum pum pum  
              rum pum pum pum                        rum pum pum pum

**So** to honor Him                        pa rum pum pum pum  
              When we **come**

Verse 2    **Little** Baby                                    pa rum pum pum pum  
              - I am a poor boy too                    pa rum pum pum pum  
              - I have no gift to bring                pa rum pum pum pum  
              - That's fit to give the King        pa rum pum pum pum  
              rum pum pum pum                        rum pum pum pum

**Shall** I play for you                    pa rum pum pum pum  
              On my **drum**?

Verse 3    **Mary** nodded                                    pa rum pum pum pum  
              The ox and lamb kept time            pa rum pum pum pum  
              - I played my drum for Him            pa rum pum pum pum  
              - I played my best for Him            pa rum pum pum pum  
              rum pum pum pum                        rum pum pum pum

**Then** He smiled at me                    pa rum pum pum pum  
              Me and my **drum**
