

# WHEN THE RAIN BEGINS TO FALL – JACKSON/ZADORA

(Bbm)

THE GENERATIONS  
ROCK- & POPCHOR

Verse 1     Like   The sand   Can seep   Right through your fingers  
So <sup>can</sup> all your days  
As   Those days   Go by   You have me there to help you find  
The way I feel   With you   I know it's gonna last forever

Chorus     °° And when the **rain** begins to fall   °° You'll ride my **rain** bow in the sky  
°° And I will **catch** you if you fall   °° You never **have** to ask me wh-hy  
°° And when the **rain** begins to fall   I'll be the sunshine in your li<sup>fe</sup>  
You know that we can **ha-ave** it all   And everything will be **alri---**ght

Verse 2     **Time   Goes by   So fast**   You've got to have a dream  
To just hold on  
All   My dreams   Of love   Began with the reality of  
You   And I   Believe   That all the dreams will last forever

Chorus     °° And when the **rain** begins to fall...

Interlude

Bridge     **Though - the sun may hide**  
° **We** still can see  
**The light**  
That **shines** for you and me  
**We'll be** together - All that we can **be**

Chorus     °° And when the **rain** begins to fall...

Chorus     °° And when the **rain** begins to fall...
